Every year the student body elects ten seniors, six juniors, and four sophomores as representatives of each class in the Student Council.

The graduating class of 1939 should well be proud to claim such an enthusiastic, capable, and school-spirited organization. Many class activities such as afternoon dances and a junior prom have been a part of its contribution to better school spirit and improved student cooperation.

The Student Council can proudly say that the President of the Eastern Massachusetts Division of Student Councils comes from our own A. H. S. George Mernick was elected to this office and has presided over all the meetings held this year.

The A. H. S. Dramatic Club is pleased to report a happy, lively and successful year in 1938-39 under the most capable guidance of Mrs. (Auntie) Helen F. Matthews and Miss (Cousin) Claire Johnston.

The club commenced its activities early in September with 130 members. Plans were soon under way for presenting "Excursion," by Victor Wolfson, as the annual public performance at the Town Hall. After several weeks of hard work at rehearsals, the comedy was presented January 14, 1939. It was greatly enjoyed by all who attended.

Many thanks are due to members of the faculty who assisted us: Mr. Robinson, Mr. Arthur, and Mr. Witherell. Also orchids to Miss Porter who was invaluable in aiding "Auntie" Helen and "Cousin" Claire in turning out a distinguished performance.

The Chronicle

"Buy—don't borrow!" This slogan calls to our mind the "Chronicle" staff of Arlington High School. It is truly a tribute to our senior class for we find that the only class in Journalism is one composed entirely of seniors. These students handle the reporting, make-up, editing, and proof reading of the copy. The advertising, publicity, and circulation are cared for by officers in the Journalism class. Under the supervision of the faculty members: Miss Krastin, Mr. Robinson, and Mr. Arthur, the editors and staff have supplied us with choice tidbits of news, gossip, humor, and timely editorials.

Among those interviews granted our reporters we find the names of "Johnny" Lax of the Boston Olympics, formerly an Arlington High hockey player; Gluyas Williams, a cartoonist for the Boston Globe; and Eddie Bracken, star of the play, "What a Life."

The year 1939 brings to a close the seventh year of the publication, featuring "Soph Snaps," "Keyhole Kinks," "News Flashes," and the original contribution of this year's class—"Information Please." To all those responsible for the happy moments spent reading our "Chronicle" we must give three cheers.

Debating Club

One of our most active organizations is the Debating Club. Every Thursday, enthusiastic speakers argue the topic for the week.

So far this year, our club has yet to see defeat in the inter-high competitions. The match with Everett went to a successful Arlington team by a two to one decision. The return debate was a non-decision at request of Everett. Teams have also been exchanged with Groton High School. Arlington was the victor at Groton, while the contest at home was declared a draw. Spring debates with Brookline, Belmont, Norwood, and Newton have been arranged.

Each week for improving debating technique and practise, a weekly club debate is held. Another member is appointed critic. The following week, he criticizes the debate. In addition one member is appointed chairman. Thus all members must sometime act as chairman, critic, and debater. The club is fortunate in its adviser, Mr. Guy Petralia, who gives the organization generously of his time.

The Debating Club members hope they have increased the interest in debating. Surely each member can look back on the year 1938-39 and say, "We had a fine Debating Club that year."

Ski Club

This year, the Ski Club formed in 1936-1937, had its most successful season. The membership has increased to fifty, of which seven are girls. Besides doing very well in the annual Mount Hood meet in Melrose on February 5, the teams also outscored Watertown in points in a dual meet held February 9.

Besides these meets the members took many week-end trips to such ski resorts as Brookline, New London, Guilford, and Tuckerman's Ravine in New Hampshire, and to Stowe and Woodstock in Vermont. On an average, between seven and fifteen members took these trips showing the increasing enthusiasm with which this club is greeted each succeeding year.

On many afternoons the boys, accompanied by Mr. Witherell, their faculty adviser, tried out various new trails within a radius of twenty-five miles from Arlington.

It is the hope of every member of the club as well as of Mr. Witherell that skiing will be a recognized sport in the high school in the near future. This year Mr. Witherell was appointed an active member of the Committee on Junior Skiing of the National Ski Association of America. The main purpose of this committee is to aid and promote junior skiing and interscholastic competition.

For the past few years, the Girls' Glee Club has been very successful, winning the highest honors at both the State Festival and the All-New England Festival. This year the girls expect to maintain their standard.

The club of 1938-39 consists of eighty members. The accompanist is Evelyn Barry, and the director is Miss Ethelwyn Wardle.

In the fall the club sponsored a very pleasant dance which was successful not only socially, but also financially.

During the spring the girls are scheduled to sing for the Parent-Teacher Association at the Hardy Elementary School, the State Festival at Belmont, and the All-New England Festival at Worcester. Later in the spring a radio performance will also be presented.

Club meetings and rehearsals are held on Wednesday afternoons with extra rehearsals on other days when necessary.

Heretofore, Mr. Einzig has directed the meetings but this year the officers of the club have conducted the meetings under his guidance.

Rehearsals for the 1939 Gilbert and Sullivan performance started in December, 1938. This year's production, "The Mikado," will again be directed by Mr. L. Hassler Einzig. We know that under his inspired supervision the performance will equal those of previous years. The operetta will take place the last week of April. These members have been chosen for leads:

Alice O'Brien	Chandler Wood	Herbert Greeley
Elizabeth Kennedy	Alfred Raue	Thomas Ferguson
Barbara Bouzas		Mary Dodge

Ruth Dennen and Grace Higgins are understudies.

Band

The Arlington High School Band of 1938-39 was one of the largest, most complete, and best balanced bands we have ever had at Arlington High. The band presented a striking appearance with sixteen twirlers fitted out in new red skirts marching ahead of our sixty musicians.

Thanks to the many hours of tedious designing by Mr. H. Einzig, with Mr. Mazzocca assisting, the brilliant display of musicianship added a colorful touch to the enthusiasm of our ever-cheering A. H. S. supporters.

The honorable position of drum major was awarded to Creighton Parker, a worthy junior, who led our band down its field of victory to rhythmic, melodic marches and directed our school song.

Although the work during the football season was its most outstanding accomplishment, our band also played at the Town Hall for the Home Institute Week. Now it is preparing to participate in the Music Festival in Arlington as well as in the State Music Festival at Belmont, where many bands will compete for music glory. We all hope ours will march home with highest honors.

Orchestra

The Arlington High School Orchestra is one of the outstanding organizations of the school. Its achievements are notable. In 1938 it gained the highest awards possible at the State Music Festival held at Fall River. This year it hopes to attain equal honors at the State Music Festival at Belmont.

The instrumentation of A. H. S.'s orchestra is complete. Every section is filled with able musicians who enjoy their musical talents.

Under the excellent conductorship of Mr. Hassler Einzig and with the helpful assistance of Mr. Augustus Mazzocca, the orchestra is continuing to maintain its high reputation.

The orchestra's participation adds refinement to our assemblies. The Dramatic Club play was also accompanied by a selected group of the orchestra.

The Concert Mistress this year is Miss Alice O'Brien, a very distinguished violinist. The ideal cooperation of the student musicians with the conductor helps make our orchestra one of the finest in the State. We sincerely hope that the A. H. S. orchestra will continue to show its merits.

Fine Arts Club

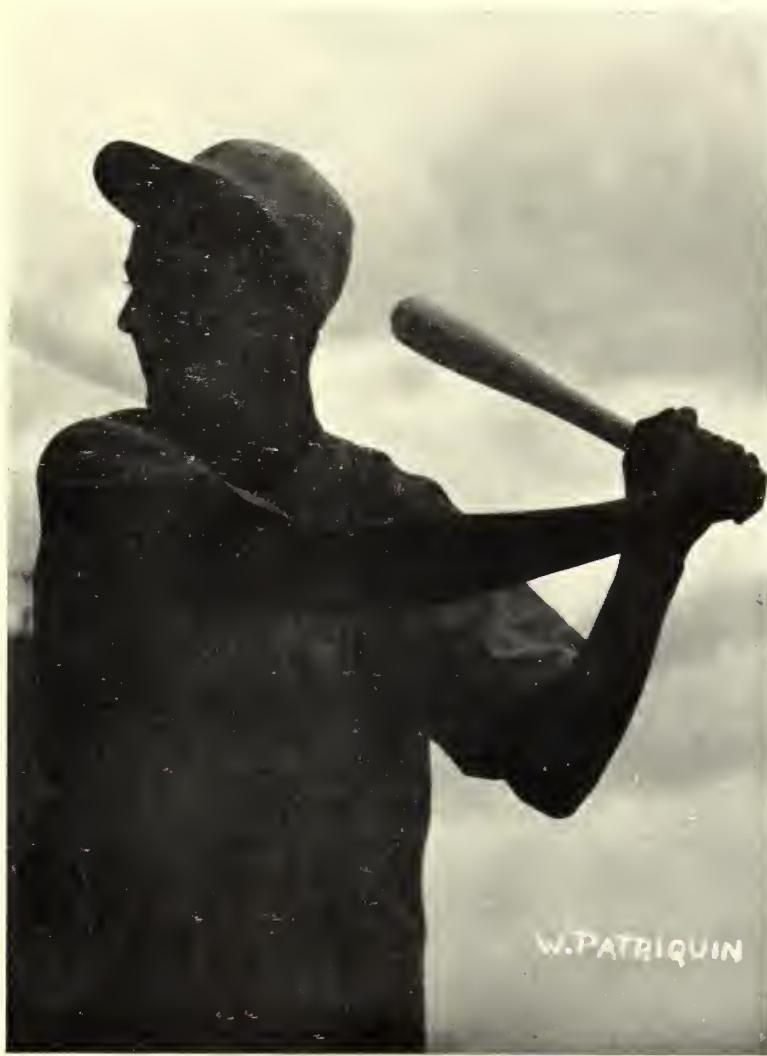

The Fine Arts Club was organized by Mr. James F. Kenney for the purpose of promoting a better understanding and appreciation of the combined arts of painting, music, and drama.

The members attended as many professional plays as possible, among the most important being Macbeth, Five Kings, and Hamlet. Individual attention was given to the excellent series of Great Plays broadcast every Sunday afternoon.

A real interest in classical music has been aroused by attending the two series of Youth Concerts given by the Boston Symphony Orchestra as well as listening to operas over the radio.

An analysis of painting was considered from two points of view. Once a month, the club made a field trip to the Boston Museum of Fine Arts where a lecturer described the history of painting from early to modern times. Once a month, likewise, the members of the club traveled to several exhibition galleries of contemporary painting.

It is always the aim of the club to foster the development of a cultural sense by keeping in close association with what is going on in the theater, the concert hall, and exhibition galleries; to be able to discuss these allied arts because of their association; and to create an intense interest in things cultural that will become an integral part of one's education and personality.

Cheer Leaders

We'll cheer today the Red and Gray
We know our boys will shine—
The backs will run around the ends
And charge right through the line.

The team will march on down the field
Until the game is won—
So lend your voice and give a cheer
A cheer for Arlington.—Rah! Rah!

Football

Although the A. H. S. gridiron team experienced only a fair season in 1938, it was really better than the standings indicate. The team started the year like a state champion and defeated its first four opponents, also holding them scoreless. Then came a powerful Malden eleven stacked with reserves to check Arlington's drive for high honors—the final score: Malden 12, A. H. S. 7. This defeat was disastrous, because it started a series of losses for the team, in spite of the fact that the boys outgained their opponents in yardage in every game. But all defeats were forgotten when Arlington came back to defeat its traditional Thanksgiving Day rival, Melrose, by a close 12-9 score. This game was Arlington's outstanding performance of the year.

The team coached by Fred Ostergren and his able assistant, Henry Hormel, was sparked throughout the year by Captain Phil Down and ex-co-captain and all-scholastic, Lindy Blanchard.

Because of the fine attendance at the games this year, the school committee found it possible to award sweaters and letters to those qualifying as lettermen. These twenty-two boys received sweaters: Captain Phil Down, Co-Captain-elect Edward Burns, Co-Captain-elect Russell Isner, Linden Blanchard, Walter White, Reuben LeBaron, Edward Hughes, Robert Battis, Robert Sanders, William Mills, Joseph White, Edward Tobin, William Coughlin, Arthur Blanchard, George Mernick, Harold Larson, Francis Ellis, Robert Dorrington, William Lyons, Francis Femia, Donald Bresnan, and Manager Richard Ward.

Back Row, left to right: H. Doherty, R. Dennen, M. Newman, C. Guarante.
Middle Row: M. Gallagher, F. Caples, J. Martin, E. Riese, M. McCarty.
Front Row: E. Seanlon, P. Bullock, Powers, R. Healy, E. Donovan, B. Swanson.

Girls' Field Hockey

The 1938-39 hockey girls had a very successful season. They won five games and lost only one. Starting the season with only one veteran, Ryta Healy, the team did a remarkable piece of work, remaining a constant threat to its opponents.

With Ryta Healy captain and highest scorer—Esther Donovan, Pauline Bullock, Judy Martin, Ruth Dennen, and Jacqueline Hession made up a dependable forward line. For their strong defense much credit must be given to Charlotte Guarante and Helen Doherty, as well as to the remainder of the defense line, consisting of Barbara Swanson, Mary Louise Newman, Emily Riese, Frances Caples, and Kay Powers who also played effectively. Dorothy Scanlon proved herself an able goalie. Mary Gallagher was a capable manager.

The success of this year's hockey team is due especially to the experienced guidance of Miss McCarty and the perseverance of the girls.

Front Row: J. Spinner, R. Rowe, L. Blanchard, W. Lyons, Captain; G. Malone, J. Hickey, R. Benshimol, H. McLatchy.
Back Row: Mr. Downs, Coach; A. Blanchard, A. Luongo, R. Battis, E. Burns, T. Connolly, K. Rhode, R. Duffy, D. Moore, C. Bugden, R. Bourgeois, Manager.

Ice Hockey

Under the direction of Mr. Downs, the hockey team was again the Greater Boston Interscholastic champion. Led by Captain Bill Lyons the team won six, tied three, and lost one. As usual Arlington presented the most interesting game on the program.

A new feature of the league this season was an award to the player voted most popular by the fans. This award, a hockey stick autographed by the Boston Bruins, was presented to George Malone, the first line center. Captain Lyons, Linden Blanchard, and George Malone were chosen to represent Arlington on the first all star team, while Edward Burns and John Spinner were picked for the second team.

The Eddie Shore Trophy, awarded to the best team in the state, was presented to Captain Lyons March 18 at the Bruins-Canadians game. The boys deserve great credit for bringing another championship to A. H. S.

The hockey team elected Robert Sanders captain for next year.

Sweaters were awarded to Robert Benshimol, Charles Bugden, George Malone, Harry McLatchy, Richard Rowe, John Spinner, Ray Bourgeois, Manager, Joseph Hickey.

Letters were awarded to Robert Battis, Arthur Blanchard, Linden Blanchard, Edward Burns, William Lyons, Captain, Robert Sanders, Captain-elect.

Back Row: J. Cronin, C. Bugden, P. Alexander, N. Churchill, G. Mullins, W. Allen, H. Adamian, R. Werner, W. MacQueston, R. Fereshetian, J. Kelley, Dr. McCarty.

Front Row: Manager W. Collier, W. Coughlin, D. Wells, R. Lowry, A. Harwood, Captain E. Parker, P. Rowland, J. Kellogg, R. Wells, J. Walker, R. Gleason, C. Tenney.

Track

Doc McCarty's 1939 edition of Arlington High track team, led by its indomitable captain, Eddie Parker, is making an excellent showing on the cinders. In spite of the fact that baseball claimed three of its members, the track team carried on with the aid of a fine group of sophomores. Bill Collier answered the call and laying managerial duties aside joined forces and is now one of the important members of the team. Jimmy Walker, from Washington, who is training for the army, was a pleasant surprise to "Doc." The banner of the Cronin family is being carried by Joe, who is a born runner. This talent, coupled with "Doc's" genius, has yielded one of Arlington's finest track teams in years.

Left to right: Dr. McCarty, R. Werner, Captain-elect R. Wells, Capt. E. Parker, P. Rowland, W. MacQuestion, H. Adamian.

Cross Country

This year's cross country team was composed of inexperienced but game runners. After losing close races to Quincy, Chelsea, Brockton, and the North-eastern Freshmen, they upset a strong Tufts Freshman team.

Arlington's Captain, Edward Parker, was outstanding, winning every race in which his team was entered. Parker added to his laurels by capturing the state championship at the Boston University meet held November 12, at Weston, Massachusetts. In appreciation of his exceptional running ability the Athletic Council voted to present Edward with a sweater.

As usual the team was coached by capable "Doc" McCarty, who is looking forward to a strong team next year.

This year letters were awarded to Captain-elect Richard Wells, Haig Adamian, Robert Hodge, Robert Ahern, Paul Rowland, Walter MacQuestion, and Manager Robert Werner.

Front Row: P. Bullock, R. Healy, C. Guarente, P. Marden, H. Doherty, E. Donovan, C. Powers.
Back Row: J. Bartholomew, B. Swanson, H. Hamilton, M. Newman, M. Slattery, Miss McCarty.

Girls' Basketball

The basketball team of 1938-39 proved very successful, under the able coaching of Miss McCarty. Remarkable teamwork was displayed by the girls, resulting in eight victories and only one loss.

The following girls received letters: Ryta Healy, Pauline Bullock, Helen Hamilton, Esther Donovan, Kay Powers, Captain Patricia Marden, Charlotte Guarente, Helen Doherty, Margaret Slattery, Mary Louise Newman, Marjorie Kelley, Manager.

Arlington's high scores were due to the excellent shooting by Pauline Bullock and Helen Hamilton, while Captain Patricia Marden and Charlotte Guarente did outstanding work in guarding, thus keeping their opponents' scores low. Captain-elect Helen Hamilton is expected to lead another victorious team next year.

Back Row: Mr. Lowder, Coach, R. Isner, R. Thomas, W. White.
Front Row: C. Glennon, G. Mernick, T. Cotter, W. Whitney.

Boys' Basketball

The basketball team, coached by William Lowder and captained by George Mernick, enjoyed one of its best seasons since 1928, when the locals entered the "Teck Tourney."

Coach Lowder, starting the season with only two veterans, gradually produced one of the finest quintets in the state.

This year the team has won twelve games in eighteen starts, including the play-off series with Waltham and Newton. Arlington was tied for the Suburban League title, and play-offs were arranged so that the winner could enter a high school's dream, "The Tech Tourney." The locals proved successful in their first play-off game with Newton, but failed to capitalize against a strong Waltham team in the finals. The best and closest game of the year was the last one with Newton, when the Menotomy Towners proved successful in the last few seconds of play.

We of Arlington High should be proud of this record made by our boys. The success of the team depended largely on the fine work of Edward Hughes and George Mernick, the latter being the top scorer of the league. Mernick also established a high school record by scoring all but one point in a single game.

The letter men of 1939 were Captain George Mernick, Captain-elect Charles Glennon, Ralph Thomas, Edward Hughes, Walter White, William Whitney, Thomas Cotter, and Rus Isner.

Back Row: Miss McCarty, M. Whilton, M. Donnelly, E. Sullivan, C. Murphy, Est. Donovan, M. Steinkrauss.
Front Row: J. Rooney, J. Hessian, E. Riese, B. Swanson, P. Bullock, C. Powers, M. Coyne, El. Donovan.

Girls' Baseball

Every year there seems to be a more definite trend toward baseball in A. H. S. This year with so great an interest in baseball we ought to realize what a fine group of girls we have playing this national pastime for A. H. S. With five veterans, Capt. Barbara Swanson, Jacqueline Hessian, Edna Sullivan, Emily Riese, and Catherine Powers, a big year seems in store for our baseball nine. Mary Steinkrauss is surely a capable manager since she is a veteran herself. In our enthusiasm for the veterans we may have overlooked the promising sophomores who should do their team proud! Good luck to all the girls as they follow through this schedule.

All home games:

May 12	Lexington
May 17	Winchester
May 19	Cambridge Latin
May 24	Somerville
June 1	Melrose
June 5	Medford

Back Row: Assistant Manager J. Nolan, Manager A. Doucette, A. Gorell, W. Whitney, J. Cronin, W. O'Leary, E. Burns, W. Coughlin, H. O'Leary, C. Lewis, J. Kelley, Mr. Ostergren.

Front Row: J. O'Donoghue, A. Musucco, J. Bevins, G. Malone, R. Sanders, P. Rubner, J. Spinner, N. Athanas, L. Wilson, J. Nugent, A. Blanchard.

Baseball

The baseball team which takes the field for Arlington this spring will again be coached by Mr. Ostergren.

Several positions on the team will be filled by veterans, including John Spinner, Bobbie Saunders, infielders; Bill Coughlin, John O'Donoghue as outfielders; and Art Massucco who will do the catching. The pitching problem is the most serious with Nicholas Athanas, Art Blanchard and Cedric Lewis as the leading candidates.

Arlington opens its Suburban League schedule at the Spy Pond Field, April 24, meeting Newton; and closes May 26, at Waltham. In addition to the league games our boys will meet such teams as Revere, Medford, and Lowell.

Success is predicted as we go to press.

Back Row: H. Bartholomew, Miss Richardson.

Middle Row: M. Tenney, L. Donahue, M. O'Neill.

Front Row: F. Spong, E. Whitney, M. Collier, N. Titus, C. Phillips.

Girls' Tennis

We admit it is often a very unwise policy to prophesy events, yet we think we have a very substantial basis for our claims about the girls' tennis team. It will probably be among the best this season. Although a definite team has not yet been picked, there is very promising material. Miss McCarty's hopes are high for the veterans, Marcia Tenney, Claire Phillips, Frances Spong, and Louise Donahue, and the sophomores, Ruth Whitney and Nancy Cox. Their active manager, Helen Bartholomew, has arranged this schedule for the team:

May 12	Lexington
May 18	Concord
May 23	Malden
May 26	Winchester
June 1	Melrose
June 6	Belmont

Back Row: Manager L. Howard, M. White, M. Paige, Mr. Wallace.
Front Row: W. Lyons, T. Carmody, E. Richards, H. Hall.

Boys' Tennis

The old adage, "Good things come in small packages," is proved by the spirited but, unfortunately, almost unnoticed tennis team. Though composed of only seven members and three subs, this little band has greatly added to the athletic reputation for which A. H. S. is already famous. That tennis is a game in which good sportsmanship is essential is exemplified in practice as well as in matches.

During the sophomore year 1936-37 the team was fortunate in securing Mr. (Lefty) Lowder as its new coach, and as a result won every game played. Last year, 1937-38, nine matches out of twelve were won, an excellent record considering that the team was comprised entirely of juniors and sophomores. Judging from last year's performance and the fact that not one single player was lost by graduation, it is more than probable that the team, led by Marc White and Frank Lee, will continue to uphold the sport tradition by regaining the cup.

The Forgotten Men

"Tickets, please!" Those two words wafted on all frequencies to the long-suffering ticket-sellers will be remembered forever. These "Forgotten Men" take their stand on solitary outposts to confront the threatening population of A. H. S., all shrieking for tickets and change in unison but not in harmony. All this year they have loyally supplied the belligerent, famished hordes with those vital little pasteboards, making them martyrs . . . every one.

One cannot forget those impersonal croupiers, or if you will, eagle-eyed sleuths, working under that most capable pedagogue, Coach P. Pennell. Day after day they prevent parsimonious little "Willy" from walking off with sandwiches surreptitiously concealed in his pant's cuff . . . the little fiend!

And never to be overlooked are those poor distraught and harrassed individuals who have been continually trod upon and pushed around while trying to prevent the sophisticated seniors, the juniors, and the nonentities from storming another Bastille.

So let us doff our hats
 And shed a little tear,
 While we are sitting 'round
 Eating pretzels with (out) our beer.
 Let's sigh for those who go.
 (What noble men are these)
 To heed with heads bent low
 The cries of, "Tickets, please."

Oh dearer far than hoard-ed gold are precious mem-ories.
Of greater strength than can-ties might are friend-ships stand-ing fast.
As pi-lots true to keep our course i-deals and hab-its made.
To That Will

Count them o'er is wealth un-told; what greater joy than these?
through the strife of life will last and never-fade.
guide us on with steady hand and minds and hearts en-twine.

Arl-ing-ton, our Arl-ing-ton, rich friends mem-ory store and through
Arl-ing-ton, our Arl-ing-ton, may we've found all these.
Arl-ing-ton, our Arl-ing-ton, true friends we're found all these.
Arl-ing-ton, our Arl-ing-ton, may we're goals all these.

Appreciation

The satisfaction of having done a task well is often of greater value than monetary reward. To gain the confidence of others so that they will believe you and trust your judgment is to be valued very highly.

Our reputation as printers and our intimate knowledge of the building of class annuals together with our very fair and honest business methods have won for us a very enviable place in this specialized field of work and we are striving each year to improve our service and produce still better books.

P It has indeed been a pleasure to have had a part again in helping to produce this annual.
